

WILBERFORCE MUHUYI MURAMBA

Software Engineer | Full-Stack Developer

Eldoret, Kenya | +254 758 352 185 | wilberforcemuhuyi28@gmail.com

LinkedIn: linkedin.com/in/wilberforce-muhuyi-49762a39/ | Portfolio: wilberto.netlify.app

PROFESSIONAL SUMMARY

Software Engineering graduate with practical experience in **web development, software troubleshooting, networking, and IT support**. Skilled in developing web applications using **PHP, JavaScript, HTML, CSS, MySQL, and Python**, with hands-on experience building and testing database-driven applications. Strong foundation in full-stack development, problem-solving, debugging, hardware and software installation, networking fundamentals, and technical support. Passionate about building practical technology solutions, continuously improving technical skills, and contributing to software development teams.

TECHNICAL SKILLS

Programming	Python, JavaScript, PHP
Web Development	HTML5, CSS3, JavaScript, Responsive Web Design
Database	MySQL, Database Integration
Software Development	Full-Stack Web Development, Debugging, Testing, Troubleshooting
IT & Hardware	Hardware Installation & Repair, Software Installation & Configuration
Networking	Network Cabling, Router Configuration, Network Troubleshooting
Tools	Git, GitHub, VS Code, XAMPP
Other	Internet Troubleshooting, Technical Support, System Documentation

PROFESSIONAL EXPERIENCE

ICT Attachment Intern — Masinde Muliro University of Science and Technology (MMUST) | Kenya | 2024

- Installed, configured, and maintained computer hardware and software.
- Assisted with network cabling, router configuration, and network troubleshooting.
- Diagnosed and resolved computer, software, and connectivity-related issues.
- Provided technical support to users and assisted with system-related challenges.
- Assisted with software installation, system configuration, and routine maintenance.
- Maintained technical documentation and supported day-to-day ICT operations.
- Developed practical experience in networking, hardware troubleshooting, and IT support.

PROJECTS

Switor Fashion — E-Commerce Website

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Designed and developed a database-driven e-commerce website for a fashion business.
- Implemented user registration and authentication functionality.
- Developed shopping cart functionality for managing products and orders.
- Integrated PHP with MySQL for storing and retrieving application data.
- Designed responsive web pages using HTML, CSS, and JavaScript.
- Tested and debugged application functionality to improve reliability and usability.
- Managed the project using VS Code, XAMPP, Git, and GitHub.

EDUCATION

Bachelor of Science in Software Engineering — University of Eastern Africa, Baraton | Graduated 2025

Relevant areas: Software Engineering, Web Development, Programming, Database Systems, Computer Networks, Software Testing, Systems Analysis and Design.

Kenya Certificate of Secondary Education (KCSE) — Kimilili Boys High School | Grade B+ | 2019

Kenya Certificate of Primary Education (KCPE) — Isanjiro Primary School | 359 marks | 2015

PROFESSIONAL STRENGTHS

Problem Solving & Troubleshooting • Software Development • Analytical Thinking • Fast Learning & Adaptability • Team Collaboration • Technical Support • Attention to Detail • Continuous Learning

PROFESSIONAL INTERESTS

Full-Stack Web Development • Software Engineering • Artificial Intelligence • Web3 & Blockchain • Cloud Technologies • Software Testing • Networking & Systems
